

# TIMILEHIN OLADAPO

Frontend Developer

Lagos, Nigeria | 📞 08138109620 | ✉ timilehinoladapo0@gmail.com | @github.com/timhilehin1

## OBJECTIVES

My career aspiration is tailored towards building up my knowledge and skills to deliver excellent value and meet growing business needs for the overall growth and success of any organization I am privileged to work for.

## INDUSTRY SKILLS

- HTML5
- CSS
- JavaScript
- Bootstrap
- RESTful APIs
- React
- GIT

## WORK EXPERIENCE

### NEPTUNE SOFTWARE GROUP

Jan 2022 - Present

#### Frontend Developer

- Developed stunning visual elements of a report-based web application by translating UI/UX design wireframes into code.
- Worked with a team of developers to redesign a client's mobile application with Ionic framework. Redesign of the mobile app helped increase download rate of the application by 30% in the first six months of upgrade.
- Daily Maintenance of code, debugging issues and solving client's problems.
- Collaborated with support Engineers to ensure a 100% customer satisfaction by building trust and enriching relationships with clients.

### ASKIT NG

#### Web Developer Intern

March 2020 – Sep 2020

- Worked with a team of frontend developers to overhaul websites by redesigning landing pages and improving mobile responsiveness of these websites.
- Conducted research and assisted with new business scoping methods, this resulted in an increase in acquisition rate of new clients.
- Provided maintenance support to company issued computers.

## PROJECTS AND CONTRIBUTIONS

- Collaborated with a senior front-end developer to develop a responsive and fully functional E-commerce web application.
- Worked closely with a UI/UX designer to translate design of a blog website into clean and re-usable code.
- Developed a responsive music web application, It was designed to help users search and listen to any of their preferred genre of songs.

**Technologies Used:** HTML, CSS, BOOTSTRAP, JAVASCRIPT, REACTJS, RESTful APIs.
